GLOBAL SUMMIT ON ARTIFICIAL INTELLIGENCE

ABOUT AIW 2025

Join us at Artificial Intelligence World 2025, where leading AI researchers, data scientists, engineers, technologists, ethicists, entrepreneurs, and public policy experts will engage in interdisciplinary discussions. This conference will cover a broad range of topics, from machine learning algorithms and intelligent automation to emerging trends such as AI in healthcare, climate modeling, finance, and education. Attendees will gain insights into the latest advancements in deep learning, natural language processing, robotics, and the ethical frameworks guiding responsible AI development. The program includes keynote lectures, interactive panels, and poster presentations on subjects such as AI governance, predictive analytics, generative models, and real-world AI applications. Participate in person or virtually to contribute to the evolution of artificial intelligence and its positive global impact.
